

Dear *(name of business)*,

Lifting the spirits of chronically ill children is the goal of the Jared Box Project. Please consider making a donation to help *(name of your group)* as we make Jared Boxes.

A Jared Box is a small plastic storage box filled with toys, games and activities. The boxes will be given to children at *(name your local hospital)* they receive chemotherapy or similar medical treatments.

Any donation is greatly appreciated. Please consider donating items for us to use to fill our Jared Boxes. Examples include: small toys, crayons, markers, coloring books, books, puzzles, stuffed animals, card games, etc.

To learn more about this great project, refer to www.thejaredbox.org. More than one million Jared Boxes have been made across the country. The boxes entertain and lift the spirits of these brave little patients.

Thank you for your consideration. I can pick up your donation at your convenience.

Sincerely,

(Your name, Group Name, Address, Phone number)
